ABOUT ME

Motivated Electronics and Communication Engineering student with a strong foundation in core engineering workflows and PCB design. Passionate about integrating AI and machine learning solutions into engineering architectures. Proven hands-on experience through technical projects and industry cloud certifications, seeking to contribute to organizational excellence.

INTERNSHIP

Python with ML Intern

Nitroware Private Limited

- Acquired hands-on exposure applying Python frameworks and Machine Learning modeling concepts to dataset operations.
- Collaborated on building, training, and troubleshooting predictive scripts to align data metrics with engineering test workflows.

TECHNICAL PROJECTS

AI Code Explainer

Independent Project

- Engineered an interactive tool leveraging Large Language Models (LLMs) to dissect syntax, explain logic.
- Implemented snippet parsing workflows to translate complex code segments into readable.

AI Email Auto-Responder

Independent Project

- Developed an intelligent email automation tool utilizing Natural Language Processing (NLP) to parse, categorize, and draft context-aware email responses automatically.
- Integrated secure API endpoints with cloud frameworks to streamline professional communication and accelerate query resolution workflows.

Survivor Detection Enabled IoT Communication System Pods

Team Size: 3 members

- Designed a critical network infrastructure pod mapping architecture optimized to trace isolated entities within signal-compromised disaster zones.
- Configured localized transceivers and wireless sensors to guarantee reliable emergency communications backup.

EDUCATION

Bachelor of Electronics and Communication Engineering

2023 – 2027

M Kumarasamy College of Engineering, Karur

- Academic Standing: Cumulative CGPA of 6.7 / 10.0

Higher Secondary Certification (HSC)

2022 – 2023

Sri Vinayaga Matric Hr Sec School, Vaiyappamali, Namakkal

- Achieved an overall aggregate score of 72%.

TECHNICAL SKILLS

Programming

| Python, Java , SQL, MySQL , HTML, CSS, JavaScript, Bootstrap

Core Competencies

| Complex Problem-Solving, Time Management, Team Collaboration

CERTIFICATIONS & TRAINING

- **Microsoft Certified:** Azure AI Engineer Associate (AI-102) Azure AI Fundamentals (AI-900).
- **TCS Codevita Certification:** Recognized for corporate challenge coding participation and performance profile.

LANGUAGES

- Tamil: Native Fluency
- English: Professional Working Proficiency
